## **SIPPE 2015 Shanghai 10th International Petroleum Petrochemical**

### **Natural Gas Technology Equipment Exhibition**

## **SIOOE 2015 Shanghai 10th International Offshore Oil & Gas Technology**

### **Equipment Exhibition**

## **2015 China International Shale Gas Technology Equipment Exhibition &**

### **Summit Forum**

Time: Dec. 1-3, 2015 Venue: Shanghai New International Expo Center (SNIEC)

---

#### **Approved by**

Shanghai Municipal Commission of Commerce

#### **Hosted by**

Chinese Petroleum Society

China Council for the Promotion of International Trade

#### **Supported by**

China National Petroleum Corporation

China Petrochemical Corporation

China National Offshore Oil Corporation

#### **Co-Organized by**

China Shipbuilding Industry Corporation

Society of Iranian Petroleum Industry Equipment Manufacturers

National Iranian Oil Company

National Iranian Gas Company

National Iranian Petrochemical Company

Russian Natural Gas Corporation

Petroleum Exploration Society of Great Britain

Australian Institute of Petroleum

#### **Undertaker**

Shanghai AiLing Exhibition Co., Ltd

Shanghai AiExpo Exhibition Service Co., Ltd

## **Schedule**

Venue: Shanghai New International Expo Center (No.2345 Long Yang Road)

Registration Time: Nov. 31-Dec. 1, 2015

Move in: Nov. 31-Dec. 1, 2015

Exhibiting Time: Dec. 1-3, 2015

Move out: Dec. 3, 2015(14:30)

### **About SIPPE**

The SIPPE 10th Shanghai International Petroleum Petrochemical Natural Gas Technology Equipment Exhibition is a focal project of the Shanghai Municipal Government and the China Council for the Promotion of International Trade (CCPIT). The exhibition is jointly hosted by the CCPIT Pudong Sub-Council, Chinese Petroleum Society And China Chamber of Commerce for Import and Export of Machinery and Electronic Products and organized by the Shanghai AiExpo Exhibition Service Co., Ltd. Over the past eight years, with the great support from domestic and overseas enterprises and industrial organizations, the SIPPE has grown greatly in scale year after year, cumulative total 3500 enterprises from over 52 countries and regions having participated in this exhibition. At the same time SIPPE has also attracted over 250,000 professional audiences from over 52 countries and regions, cumulative trade total sum reaching to t \$6 billion USD. SIPPE has become one of the most influential petroleum shows in Asia.

### **SIPPE2014 Review**

Successfully being held for 9 times, SIPPE Shanghai International Petroleum Petrochemical Natural Gas Technology Equipment Exhibition attracted a number of famous enterprises from USA, Italy, Singapore, Germany, The Great Britain, France, Sweden, Russia, Japan, Hong Kong and China Mainland, including CNPC, Sinopec, CNOOC, ChemChina, China Shipbuilding Industry Corporation, China State Shipbuilding Corporation, Honghua Group, Lanzhou LS Heavy Equipment Corporation Ltd, Yantai Jereh, Shaanxi Drum for Engine Company Limited, Tianjin Sianjia Flow Control Systems, Shanghai Zhenhua Heavy Industry Co., Ltd., Shandong Kerui, Kapor, Tianjing Denuo petroleum tube, Yantai CIMC Raffles, JIANGSU JINTONGLING, JUTAL OIL SERVICE, Inductotherm Group, CSSG, SEKO, HuBei Petrokh Machine Manufacturing Co., Ltd., Fangzheng Valve, Panasonic, Pheonix Electric, Chongqing Sichuan Instrument Analytical Instrument , Beijing Jingyi, AFRISO, COSL Chmiecals, MeiHua Group, Fufeng Group, DEOSEN BIOCHEMICAL LTD ,Shaungguang Cable, Shandong Taihe Water Treatment, Weihai Chemical Machinery Co., Ltd, SAMSUNG、Gazprom、RosneftOil、NIOC、NIGC、National Petrochemical Company、NIORDC、Business Group、Pietro Fiorentini、Saudi Arabian Oil Co、SULZER、Total、Fanavaran、Tencate、Intra Corporation、SANGBONG Corporation Intra Corporation、Armacel、Raymonds、Oxford、Crest、Gates、Jotun、Tyco、ACM、Fanavaran. Global Petroleum Petrochemical Industrial Enterprises showcased their latest technology and equipment, conducted trade and communication as well as developed business opportunities in this international arena.

In addition to the exhibitors, there were a lot of purchasing delegations from more than 20 countries including USA, Canada, Italy, Norway, Mexico, Russia, Singapore, Iran, Korea, Pakistan, Nigeria came to visit the SIPPE exhibitions.

### **Why SIPPE**

■ SIPPE is the most influential petroleum show in Asia

SIPPE has grown by 30% in scale year after year. The 2015 10th Shanghai International Petroleum Petrochemical Natural Gas Technology Equipment Exhibition will attract 900 exhibitors, 30,000 visitors and 600 VIP purchasers.

■ SIPPE is hosted by authoritative and powerful Organizing Committee, providing international professional services Chinese Petroleum Society is the most authority organization in China petroleum and Petrochemical industry, China Council for the promotion of International Trade (CCPIT) has access to abundant overseas resources. Shanghai AiExpo specializes in hosting conferences and exhibitions in energy industries, and providing international professional services.

■ The Organizing Committee invests huge in promotion & advertising

SIPPE teams up with approximately 100 media organizations worldwide, establishes positive relationship with 40 industry organizations. SIPPE also actively makes promotion in 5 key international exhibitions and more than 30 industry conferences at home and overseas.

■ Concurrent high end conference and forum

The 2015 10th SIPPE will attract 50 Business leaders, government officials and experts to make presentations. We also expect approximately 200 oilfield and gas field insiders and 500 industry professionals to attend.

■ Business matchmaking between exhibitors and purchasers, providing subsidies for VIP purchasers

SIPPE has powerful resources advantage and will continue to make promotion or advertising through domestic and overseas exhibition and media. We provide business match for exhibitors and purchasers and strive to invite more purchase groups to exhibition site. To ensure the excellent effect of exhibitors, SIPPE organizing committee will provide dedicated fund subsidies for VIP purchasers in the field of oilfield, oil, petrochemical and natural gas industry.

### **Exhibit Profile**

- Oil and gas exploration, development and production equipment
- Shale gas development technology and equipment
- Automated technology, equipment and instruments
- Oil and gas pipeline construction engineering technology and equipment
- Oil field special vehicles
- Fluid mechanical equipment and technology
- Petroleum petrochemical refining process and technology
- Electrical & Electronics equipment, electric wire product
- Geophysical surveying and drilling technology and equipment-on-and off-shore
- Petroleum, petrochemical equipment manufacturing
- DCS、 PLC control systems and field bus
- Generators and power equipment
- Industrial explosion-proof and mine-blasting products
- Petroleum and petrochemical technology research and laboratory equipment
- Communications and information systems management, e-commerce
- Fire fighting alarming equipment, industry safety and labor protection appliance

- ☆ Offshore oil gas drilling platform, subsea well head equipment
- ☆ Submarine detection, test, underwater operation equipment
- ☆ Mooring equipment, hoisting and platform lifting system
- ☆ Anti-abrasion, anti-corrosive technology and equipment
- ☆ Air conditioning, ventilation and heat preservation refrigerator system
- ☆ Marine salvage, support and life saving equipment
- ☆ Oil gas sea transportation technology and equipment
- ☆ Oil gas transportation, storage technology and equipment
- ☆ Marine Equipment
- ☆ Petroleum warehousing and transportation storage tank
- ☆ Offshore platform production, life module, FPSO
- ☆ Oil gas conduction and transportation, processing and storage system
- ☆ Power, generating equipment, electric and control system
- ☆ Rope, steel cable, chain, steel structure
- ☆ Marine equipment installation and debugging technique, etc.
- ☆ Global positioning system
- ☆ Pipe line steel, storage tank steel, steel tube and tubing
- ☆ Gas monitoring equipment and gas testing equipment
- ☆ Tubulation unit, tubulation equipment and auxiliary equipment

### **Exhibition Fee**

**Standard Booth:** 9m<sup>2</sup> \$4,000 (Both-side open, 20%extra added)

Includes: one table, two chairs, spot light, waste paper basket, paneling, carpet, fascia board, power source (220V/10kW), full cleaning and security services.

**Open Space:** \$400/m<sup>2</sup> (36m<sup>2</sup> Min.)

#### **1. Cost of Advertisement on Show Catalogue**

Front Cover: US\$ 4,000    Inside Front Cover: US\$ 2,000    Back Cover: US\$ 3,000

Head Page: US\$ 2,500    Inside Back Cover: US\$ 2,000    Color Insert: US\$ 1,000

#### **2. Cost of Advertisement on Exhibition Site:**

Arch: US\$ 4,000    Name Badge: US \$3,500    Hanging Rope for Name Badge: US\$ 5,000

Balloon: US\$ 3,000    Handbag: US\$ 2,000/2000 pieces    Visitor Tickets: US\$ 3,200

For conference sponsors and outdoor advertising, please contact the Organizing Committee.
